Subject: VGI70 AR Changes

Good morning Rodney,
As promised, here's the marked-up AR index. I added a new column (B—Move to Site File), indicating which documents need to be moved from the AR to the site file b/c they may contain PII, oversight bills, or are otherwise not appropriate for inclusion in the AR. Please revise the coding as indicated. We are then ready to make the AR available to the public. Please call me if you have any questions. I'll be here all afternoon.

Thank you,

Mark
